

Gaslamp District Pub Tour SoCal Chapter Event

Thursday, November 5th 6:30pm – 11:30pm

Experience the history of the Gaslamp with friends and new acquaintances.

Join us for a walking pub tour through the famous Gaslamp District, in San Diego. The SoCal Chapter will start you off with **appetizers** and your **first beverage** at one of the district's historic land sites and continue on to the oldest bar in the Gaslamp, established in 1885. Then it's on to a historic converted warehouse, circa 1912, where we will offer **gourmet pizza**, – "voted best pizza in SD". The next stop will be a brand new Tequila lounge with 215 Tequila options; with the tour ending at the region's tallest open-air rooftop lounge, which overlooks San Diego Harbor and the SD Padres newest stadium.

There will be maps available, in case you want to stay longer at one place and meet up at another.
